STATEMENT IN CONNECTION WITH ATTACHED PETITION FOR REVIVAL

Honorable Commissioner of Patents and Trademarks
P.O. Box 1450
Alexandria Va. 22313
Sir:

This petition for revival of the above subject application is being filed under 37CFR 1.137(b) based upon the late submission of corrected drawings following payment of the issue fee. The entire delay was unintentional. The corrected drawings were indeed submitted on September 15, 2008 and are of record a copy of which is attached along with the copy of the abandonment notice. Applicant filed a petition to have the abandonment withdrawn which was denied on December 22, 2008 alleging that Applicant did not provide sufficient proof to establish the failure of the US Patent Office to attach a Notice of Allowability and request to correct drawings to the Notice of Allowance.

Applicant is a small entity and this petition for revival includes a check to cover the Fee Payment for a small entity. Accordingly, it is requested that this Petition be promptly granted and the application revived so that Applicants application may issue as a patent.

Respectfully Submitted,

Eugene Lieberstein
Attorney for Applicant
